ST. FRANCES XAVIER CABRINI

Elder Care Immigrat

ESTABLISHED IN 1998, Cabrini Mission Foundation exists to respond to society's needs by supporting programs and institutions of healing, teaching, and caring sponsored by the Missionary Sisters of the Sacred Heart of Jesus (MSC), the international religious order founded by St. Frances Xavier Cabrini in 1880.

A non-profit 501(c)(3) corporation, Cabrini Mission Foundation seeks to support and enhance MSC works of the Stella Maris Province (encompassing the United States, Australia, Africa, and the Philippines) by providing philanthropic support through national fundraising, endowment, and donor programs. By supporting MSC programs and institutions, Cabrini Mission Foundation fosters Mother Cabrini's legacy and lifelong commitment to the dignity, nurturing and empowerment of all people.

By working closely with the leadership of the Stella Maris Province and its corporate entities, the Foundation and its governing Board of Trustees aim to motivate individuals, corporations, and foundations to support the work of the MSCs with time, talent, and treasure.

Cabrini Mission Foundation funding supports programs and institutions that provide healthcare, education, and social services for women, children, immigrants, and the elderly. While each Cabrini entity provides unique services, all express an enduring commitment to helping the disadvantaged, in a society that is not always welcoming, and where needs are not always met.
